### Programming

Through shared purchasing power of NWLS, we will have an outdoor movie screen/projector to show movies one weekend in June and one in August. Plans are in the works as far as what movie, date & time. I will keep you posted. Sheva is working with the Main Street group to partner on this, so it may happen off site.

The Friends of the Library will be the featured Round Up partner at the Co-op in June, so shop often and round up!

The Cruisin' the Corridor race registration site is now [live](#). Our committee decided to have both races in person with a 150/race cap. We also have a virtual option. The new site includes options for creating personal fundraising pages. So, if you or anyone in your circle likes to compete and raise money for an excellent cause, please invite them to do so!

Kathy is doing some offsite story-times at home daycares. This may expand, stay tuned.

Lisa, Kathy & Sheva will do the intern candidate interviews this week. The position will begin in June. Summer reading registration begins in at the end of May with a kick off June 5<sup>th</sup>. We are all looking forward to a fun summer.

We'd like to do another order of shirts and mugs for sale. Using our logo alone does not include Ashland, WI. So, we are brainstorming for a tag line to add to the back of the shirt, mug. Any ideas are welcome. I am rooting for "Keeping it Odd in Ashland" but that might be a little too close to home for some.

### Mental Health

(speaking of odd). I am very proud of all staff here for holding up under ever changing and sometimes bizarrely political times. I do think many of us are often on the edge and feeling overwhelmed, but for the most part doing our best to serve our community. Wondering how you all are doing. I hope something insignificant, but totally wonderful has happened to you lately! Please feel free to share as we Zoom.
